## INCIDENT REPORT

### NARRATIVE

#### NARRATIVE:

On 01-18-2025 at approximately 1843 hours I was dispatched to 2711 Countryside Dr, Dicks Sporting Goods, for the report of a larceny. The reporting party, Richard Calentine, reported he witnessed two subjects steal items from the business and leave the area in a matte black 2021 Mercedes Benz with California license plate 8VNF759. He stated he last saw the suspect vehicle south bound on Countryside Dr approaching Fulkerth Rd.

I arrived in the area, and observed the suspect vehicle traveling west bound on Fulkerth Rd approaching the north bound on ramp of Highway 99. I followed the vehicle, confirmed it matched the description and license plate. I observed the vehicle to have dark tinted front windows in violation of California vehicle code 26708. I conducted traffic stop of the vehicle for the vehicle code violation and reasonable suspicion it was involved in a theft. The vehicle yielded at 3203 W Monte Vista Ave, Verizon Wireless.

I contacted the driver who was identified using a California driver's license as Jennifer Haslinger Cisneros 12-22-2005, and advised her the reason for the stop. I asked her to put all the windows down in the vehicle, and upon doing so I observed in plain view clothing with security tags still attached. The clothing was on both side of the rear passenger floor board. The clothing appeared to be clothing commonly purchased at Dicks Sporting Goods, and was not in a Dicks Sporting Goods bag. Due to the passengers stepping on the new tagged clothing, and attempting to conceal it under the seats I believed that was the stolen clothing from Dicks Sporting Goods.

The front passenger identified herself with a picture of her California driver license as Yarelzi Denise Chavez Diaz 08-24-2005. The passenger side rear passenger identified himself verbally as Elias Caudillo 12-30-2004. The rear driver side passenger initially identified himself as Sebastian Martinez 10-13-2006, however, it was later determined his real name was Marcos Esquivel 09-13-2006. I observed that Marcos had been hesitant when providing the fraudulent name, therefore, I had advised him that he would be in further trouble if he lied about his name. He confirmed he was Sebastian, and then changed his mind provide his real name of Marcos. All occupants of the vehicle were asked to exit, and were detained.

A records check of the occupants showed Elias was restrained from Yarelzi in a no contact domestic violence restraining order. I confirmed the restraining order was valid and no contact. A copy of the restraining order was attached to the report. It also confirmed that the name Marcos provided "Sebastian Martinez 10-13-2006 " came back to a real identity that had a real California ID (Y8019953).

## INCIDENT REPORT

I read Marcos his Miranda Rights, and he stated he understood his rights. Under Miranda, he admitted to providing a false name initially, and did so not thinking I was going to write it down. He admitted to steal items from Dicks Sporting Goods but did not want to specify which items. He claimed Jennifer had nothing to do with it. It is important to note he did not have a phone or wallet with any money to purchase items with.

I read Elias his Miranda Rights, and he stated he ultimately stated he understood them. I confirmed he wanted to talk, and he said I can ask him questions. I asked if he had knowledge he was restrained from Yarelzi, who was his girlfriend. He stated he believed they had amended the order to a peaceful contact. It is important to note he did not have a phone or wallet with any money to purchase items with.

Dicks Sporting Goods manager, Lorraine Marie Alvarez 02-24-1987, called TPD Dispatch and confirmed the theft from the business. She reported the suspects had left with several Nike apparel. She described the suspects as one wearing a blur hoodie, and the other a tan hoodie. It is important to note Elias was wearing a blue hoodie, and Marcos was wearing a tan hoodie. Lorraine confirmed she wanted to press charges.

A probable cause search of the vehicle was conducted. The following items were the recovered stolen items from Dicks Sporting Goods:

Nike Women's Sportswear \$75.00

Nike Women's Sportswear \$70.00

Jennifer stated she did not get out of the vehicle while Marcos and Elias went to Dicks Sporting Goods. She confirmed that they entered her car with stolen property, and were telling her to "go" for her to drive away. Jennifer stated she told them to throw the items out but they did not cooperate. She advised me that Marcos was responsible to the stolen items located in the trunk of the vehicle.

The property was photo released to Lorraine at Dicks Sporting Goods, and she provide a receipt totaling \$1854.20. She was given a email to submit video surveillance of the incident. Video showed Marcos and Elias entering the business together. They were seen on video exiting together with no effort to pay for any items. They were also quickly running out while holding the stolen merchandise.

Marcos and Elias were arrested for violating the following penal codes: PC 487(a) grand theft, PC 490.4(a)(1) organized retail theft, PC 182(a)(1) conspiracy to commit a crime. Additional charge of PC 529(a)(3) was added to Marcos, and PC 273.6(a) for Elias. Both were booked into Stanislaus County Jail without incident.
